## **MANDATORY SUPPORT ACTIVITIES:**

A typical Amherst Community Theater production requires many hundreds of hours of labor. Much of this time is donated by the production team and non-cast volunteers in our community, but our extraordinary shows would not be possible without the work of cast members and their families. In order to coordinate our efforts and ensure a high level of support, we expect a minimum of 8 hours of donated time per cast member in November and December. The pre-show time may be spent in the costume shop or the set shop and may be performed by the cast member, a family member, or a friend. We also ask that a family member or friend provide support work during 2 performances in January. We believe that you will find working with Amherst Community Theater to be a fun, rewarding, and amazing experience. We can't wait to get started!

- Pre-Show: at least **8 hours of work - per cast member** - at the Set Shop and/or Costume Shop. Please plan your time and complete a minimum of four hours prior to December. These hours can be worked by the cast member or a family member.
  - Set & Scenery – assist with building and/or painting sets. No experience or special skills are necessary. The set shop typically operates Saturdays 8-5, Sunday afternoons 12-5, and Tuesday and Thursday evenings 7-10.
  - Costuming - assist with finding, building, altering, and organizing costumes. The costume shop operates on Sunday afternoons during rehearsals, and some sewing can be taken home. Volunteers will be needed every Sunday to help set up and break down the costume shop and must be able to lift folding tables and plastic bins of clothing.
- During Show: **work a minimum of two shows per cast member's family.** This requirement can be completed by a family member or friend. Jobs include:
  - Cast Supervision – \*required of parents of children/teens (high school age and younger) in the cast\* – supervising children and teens in cast during dress rehearsals and performances when they're not on stage.
  - Backstage Crew and Props – working backstage during dress rehearsals and performances. Must work 50% or 100% of shows and January rehearsals.
  - Wardrobe – ironing and repairs, dressing room duties during dress rehearsals and performances.
  - Make-up – helping cast members with make-up at dress rehearsals and performances.
  - Hair – helping cast members with hair at dress rehearsals and performances.
  - Ushering – collecting tickets, handing out programs, seating patrons, and selling concessions during intermission (must be 18 years old per UMass rules).
  - Telegrams – organizing telegrams for cast and crew during performances. Siblings or children of cast members age 9 and up are encouraged to participate as telegram runners.
  - Company Party – assisting with set up, decorating, and clean up.
- Baked Goods (if we decide to sell concessions this year) – contribution of baked goods (4 dozen items per cast family) for sale at the concession table during one performance to be assigned.
- Strike – every cast member is expected to help with striking the set, organizing costumes, and/or cleaning the lobby, classroom, hallway, and dressing rooms in Bowker after the last performance.
